

## COOKHOUSE WIND FARM'S DEVELOPMENT PROGRAMME BOOSTS PRIMARY HEALTHCARE SERVICES

A donation of much needed equipment has been made as part of Cookhouse Wind Farm's Healthcare Flagship Programme, to help improve the quality of community healthcare in Bedford, Cookhouse, Somerset East and Adelaide

The 1<sup>st</sup> phase has benefited Mzamomhle Clinic (Bedford) and Nomakhwezi Makenyana Clinic (Adelaide) and will go a long way in helping nursing staff to provide quality health care to communities.

*Department of Health officials handed over much needed equipment donated by Cookhouse Wind Farm to Mzamomhle and Nomakhwezi Makenyana Clinic.*

This three-year high impact initiative, which will see a R2, 000, 000 investment in the first year, is aimed at improving quality primary healthcare by resourcing of public clinics.

2<sup>nd</sup> phase of Cookhouse Wind Farm's Healthcare Flagship Programme, will procure equipment for Bhongweni Clinic, Aeroville Clinic, Beatrice Ngwentle Clinic, Vera Barford and Union Clinic.
